

# Project Overview

- The US 176 Phase 2 Corridor Improvement Project aims to accommodate an increase in traffic volume and address increasing congestion on **US 176** between **Nexton Parkway** and **Jedbburg Road**.
- This 2.7-mile corridor is experiencing rapid growth, and the Project is designed to improve traffic flow and enhance safety for both residents and commuters.
- The Project is funded through the Berkeley County Transportation Sales Tax Program.
